Please Note: The HCS-D certification examination contains 50 questions, and you will be allowed 2 ½ hours to complete the examination. The HCS-O certification examination contains 50 questions, and you will be allowed 2 ½ hours to complete the examination. The HCS-D Recertification examination contains 10 questions and you will be allowed 90 minutes to complete the examination. You will receive your examination results via USPS within 6 weeks of taking your examination. We recommend that those attendees who plan to take the HCS-D and/or HCS-O credential examination prepare for the test with self study in addition to an onsite training program. Please visit our website to learn more about the HCS-D and HCS-O certification.
